

GOD Buddies: FAQ

1.0 What are redeemable points?

Redeemable points are points credited to a Member account each time a member:

- Joins a non-discounted dive trip organised by GOD
- Introduces a friend to our non-discounted dive trip
- Introduces a friend to sign up as a GOD member
- Completes a scuba diving course with us
- Purchases items from dive shops associated with GOD

2.0 What is the value of redeemable points?

Each point is equivalent to Malaysian Ringgit 1.00

3.0 How are points allocated?

If a member confirms for a non-discounted dive trip early and pays the deposit, a higher number of points are given.

For example, if a dive trip is confirmed with a deposit paid 4 months before the scheduled full price dive trip, 5% of the dive trip cost is given back in points.

If a member brings a friend (non-member) for a non-discounted trip, then 2.5% of the dive trip cost is given back in points.

For introduction of new members, 50 points are given.

For attending courses and purchasing items, 2.5% of the cost is given in points.

4.0 How are points redeemable?

Points are not redeemable for cash.

Points are redeemable by deducting against the cost of your next trip.

Points are redeemable against diving items from selected participating dive outlets.

Points are also transferable to other members (50 point deduction administrative fee applies)

Points can be deducted against membership renewal fees.

Points are redeemable at any time but valid only for current members. Points expire if you cancel your membership or fail to renew annually.

5.0 How do I become a GOD Buddy member?

Membership forms can be downloaded from our website.

You need to email the completed form to us at info@greatocean Divers.com. Upon approval you will pay a small membership fee of RM80 and receive 100 points equivalent to RM100.

The membership is valid for one calendar year.

An example of GOD's reward system:-

James, a member of GOD Buddies introduces 5 non-member mates who join him on a full priced, non-discounted dive trip to Sipadan for 5 days 4 nights; the cost is MYR 2,500 each.

James will be rewarded with:

Early booking	5% of cost	125 points
Introduction of mates	2.5% of cost	312 points
5 Mates sign up as members	50 points per new member	250 points
Total points allocated:		687 points or MYR 687

Total points that will be allocated to James's account is 687 points. These can be used to deduct against the cost of his next trip or better still, go on a member's only GOD trip at a subsidised cost.
